AOMI Professional

AOMI NICO NICO PH BALANCE

아오미 니코니코 PH 밸런스 400ml

The protective protein layer strongly works on damaged hair structure for faster recovery and helps recreating of cuticle layer. So, it receives the hair pH back to original sub-acid level, alleviates the hair damage. Also, it prevents uneven perm outcome or color discoloration for long lasting hair style.

Tips Hair pH adjuster which can be used for every step of perm/magic/color process to protect hair texture

AOMI Professional

Hair Clinic

AOMI Hair Clinic System Set (01,02,03)

1000ml

Very intensive hair clinic tool for badly damaged hair! Its perfect ingredients setup for both color and perm procedure. AOMI CLINIC 01,02,03 has the ingredients base only for hair improvement AGAINST DAMAGED HAIR.

The newly created hair film protects hair & Hydroxypropyl Chitosans become cuticles. By doing so, hair style gets more attractive.

Using with color and perm, more perfect hair design. With AOMI CLINIC 01,02,03 along with color and perm chemicals on your own, you can feel better effect. For those customers who care about strength, elasticity, gloss and hair damage, it gives them glossier, more moisturized hair quality.

01. The fine protein extracted from Assai oil, milk and the ceramide 3 extracted from yeast ..., all these will recover the damaged hair. The oil/moisture base created by AOMI 01 protects the damage by chemicals or aging by sunlight and recovers CMC layer to secure hair vitality and sustainability.

02. Assai oil and abundant amino acids changed hair cuticle into even structure, fill it up with nutrition. By doing so, AOMI 02 gives elasticity, stops damaging process and recovers by reorganizing CMC layers into stronger structure. Also, deep water minerals provide moisture and softness to hair.

03. The Pracaxi oil and hyaluronic acid supplies moisture on hair and gives softness and elasticity. Assai oil's antioxidative effect increases the resistance of hair, blocks the ultraviolet radiation and protects hair against split ends and hair breakage. The hydrolyzed keratin and vitamins recover the hair damaged by chemical procedure and create hair sustainability and volume, finally increase the flexibility.
